The KraneShares Value Line® Dynamic Dividend Equity Index ETF seeks to provide investment results that correspond generally to the price and yield performance of the Value Line® Dynamic Dividend Equity Index (the "Underlying Index"). The Underlying Index introduces a market-adaptive approach to investing in U.S. large-cap companies. The strategy seeks to identify U.S. companies whose equity securities pay a high dividend yield and are the highest rated by Value Line®'s Safety™ and Timeliness™ Ranking Systems. Careful quantitative modeling, which incorporates a unique set of risk management tools, adjusts the beta of the overall portfolio based on the market environment. The index is rebalanced monthly.

The Fund underperformed the broad U.S. equity market, as measured by the S&P 500 Index, during the period, largely due to its value tilt relative to broader indexes. The information technology stocks held by the Fund contributed the most to its positive performance for the period. Meanwhile, the Consumer Staples stocks held by the Fund detracted the most from performance.

This is a summary of certain changes to the Fund since April 1, 2025. For more complete information, you may review the Fund’s prospectus, which is available at <https://kraneshares.com/etf/kvle/#documents> or upon request at 1-855-857-2638.

Krane Funds Advisors, LLC (“Krane” or the “Adviser”), the investment adviser to the Fund, entered into an agreement whereby its officers and employees, among others, through KFA Two Holdings, LLC, will acquire a majority interest in the Adviser from China International Capital Corporation (USA) Holdings Inc., a wholly-owned, indirect subsidiary of China International Capital Corporation Limited (the “Transaction”). Consummation of the Transaction will, under the Investment Company Act of 1940, result in the automatic termination of the Fund’s existing investment advisory and, if applicable, sub-advisory agreements. In anticipation of the Transaction, the Board approved new advisory and, if applicable, sub-advisory agreements on terms identical to the existing agreements (other than effective and termination dates), subject to shareholder approval of the new advisory agreement. The new sub-advisory agreement will take effect in reliance on a manager-of-managers exemptive order. To ensure continuity of management pending shareholder approval of the new advisory agreement, the Board also approved interim advisory and, if applicable, sub-advisory agreements, effective upon closing of the Transaction, each with terms substantially identical to the current agreements, to remain in effect for up to 150 days while shareholder approval is sought.
